

Greenguard Certified Seating - The Healthy Choice

In recent years, concern has grown over the need for employees to have a healthy work environment. Out of this concern has grown the Greenguard Environmental institute: an independent organization that has established strict limits of air quality standards for indoor products. The Greenguard standard has become the criteria which many governments, corporations, health care facilities, and non-profit organizations require in their workplaces. This helps ensure a healthy environment for employees, customers, and guests alike.

Performance has a wide array of seating in various models, styles and budgets which have been certified by the Greenguard institute.
