

Conference Table

Model No. **PL139T** Table Top w/Grommet (requires cube base)

This 4' square conference table top can be used to provide a practical solution in an open-concept workspace. Coming without a base, means that you can adjust the height of the table according to your liking. Use of a premium grade laminate work surface ensure years of trouble-free use. You can use the cube bases to support the square table tops either separately for a coffee shop feel, or together for a more professional conference room look.

PL139T for use with tall or short cube bases
